WOMEN WRITING TO UNFOLD: TAOS, NM

Tuesday August 29th - Saturday September 2nd

Imagine...

a place that nurtures
creativity.

imagine ...
you there in a circle of
encouraging women.

Imagine...

being guided in a gentle
process of self-discovery.

Imagine...

being taken care of so that
you can focus on what's next
on your unfolding path.

Writing helps us discover
our truth, yoga brings us
into our body and present
moment awareness. Silence
& sharing lets us rest into
our true selves.

love of the southwest.
