

# Move from imagining to manifesting

## WOMEN WRITING TO UNFOLD: TAOS, NM

Tuesday August 29th - Saturday September 2nd

### Imagine...

a place that nurtures  
creativity.

imagine ...  
you there in a circle of  
encouraging women.

Imagine...  
being guided in a gentle  
process of self-discovery.

Imagine...  
being taken care of so that  
you can focus on what's next  
on your unfolding path.

Writing helps us discover  
our truth, yoga brings us  
into our body and present  
moment awareness. Silence  
& sharing lets us rest into  
our true selves.
